

SHOWA S-TEX ALPHA XC520

The S-TEX Alpha XC520 is the ultimate work glove, delivering an unmatched combination of high-level cut protection and dexterity. Its core is an 18-gauge seamless knit liner, crafted with incredibly strong tungsten cut-resistant yarn, which achieves an impressive F cut resistance rating without sacrificing flexibility. Adding to its precision, the glove features a thinner and ultra-lightweight polyurethane palm, specifically designed to increase tactile sensitivity and flexibility, ensuring you get superior grip and control alongside maximum safety.
