

SHOWA 7580

This thicker, 0.20mm and 240mm long 100% nitrile disposable glove offers durable, high-performance protection against chemical penetration and splashing. For added comfort, the glove is twice chlorinated to reduce tackiness and create a soft, second-skin feel. Its latex, silicone and powder-free composition reduce risk of allergies and irritation. A textured finish on the fingertips enhances grip when handling small components.

BENEFITS

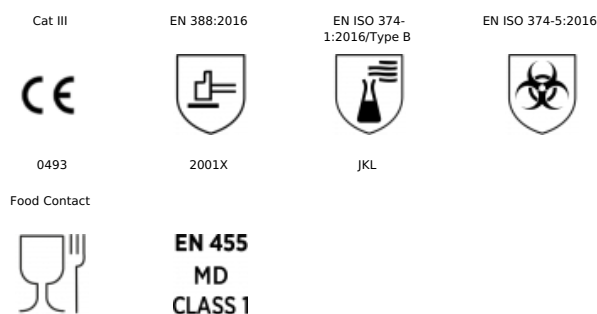

- Disposable
- Latex-free
- Chemical-resistant
- Water-resistant
- Increased sensitivity
- Durable

FEATURES

- 100% Nitrile
- Silicone-free
- Chlorinated

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
