SHOWA
Always Innovating. Never Imitating.

SHOWA 306

Built to withstand the elements all year round, the 306 outdoor gloves are impermeable yet breathable to keep hands dry whilst preventing loss of grip from perspiration. A latex coating on the palm and fingertips provides grip and tactile precision when operating in all weathers. The seamless knit ensures comfort and prevents irritation to the skin when using the gloves over long periods of time.

BENEFITS

- Skin-friendly
- Form-fitting
- Flexible
- Increased dexterity
- Breathable
- Water-resistant
- Extra Grip
- Seamless knit

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
