

SHOWA 365

The 365 chemical resistant gloves are ideal for use when handling potentially harmful substances, including contact with bacteria, viruses, and fungi. An around the palm PVC coating gives full protection, and an etched-on crinkled surface finish provides superior grip while working in wet, dry, or oily environments. Its soft cotton jersey liner enhances worker flexibility and prolongs comfort.

BENEFITS

- Acid-resistant
- Chemical-resistant
- Oil-resistant
- Extra Grip
- Flexible

FEATURES

- Full PVC Coating
- Soft liner
- Rough grip
