

SHOWA 540

Reinforced with HPPE, the 540 cut-resistant glove is highly durable yet fits and feels like a second skin. The elasticated knit wrist cuff prevents debris from entering the glove, and its ergonomic design and lightweight material ensure comfort during long periods of wear. Its polyurethane coating adds grip to enable tactile precision and maximum dexterity.

BENEFITS

- Cut-resistant
- Form-fitting
- Flexible
- Abrasion-resistant
- Oil-resistant
- Seamless knit
- Extra Grip
- Breathable

FEATURES

- HPPE reinforced
- Seamless knit
- Polyurethane palm coating

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
