

SHOWA 7066

Offering superb cut and abrasion resistance, the SHOWA 7066 general-purpose glove provides an excellent barrier to a range of workplace hazards. The smooth surface grip provides excellent dry grip and increased flexibility. The impermeable nitrile coating prevents oil and grease from entering the glove. An open-back design and cotton jersey liner ensure breathability and optimum comfort during long periods of wear.

BENEFITS

- Abrasion-resistant
- Flexible
