

SHOWA 7705PFT

Designed with visibility in mind, the 7705PFT disposable glove is 100% fluorescent green nitrile. The 7705PFT is the world's first accelerator-free single-use glove. Bisque grip ensures precision in wet and dry environments, and the second-skin ergonomic design reduces hand fatigue. And featuring SHOWA's revolutionary Eco Best Technology® (EBT), these gloves are engineered for accelerated biodegradation in biologically active landfills.

BENEFITS

- Disposable
- Latex-free
- Form-fitting
- Textured Fingertips

FEATURES

- Powder-free
- Accelerator-free
- Ambidextrous
- Fluorescent
- 100% Nitrile

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
