

SHOWA 810

Featuring a unique, non-slip wet grip, and a 10" gauntlet, the SHOWA 810 chemical-protection glove is an excellent choice for abrasive chemical applications. A soft cotton jersey liner wicks away sweat and reduces irritation during long periods of wear. The high-grade PVC coating offers outstanding hazard resistance without compromising on flexibility.

BENEFITS

- Robust grip
- Soft liner
- Increased dexterity
- Flexible
- Chemical-resistant
- Abrasion-resistant
