

SHOWA 99NFW

Featuring a reinforced gauntlet and wrinkle-finished palm-dip, the SHOWA 99NFW heavy-duty glove offers the pinnacle of comfort and durability. A soft cotton liner wicks away sweat and maintains a comfortable temperature within the glove. The natural rubber coating makes the SHOWA 99NFW a cost-effective and effective replacement for leather.

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
