

SHOWA 600

Offering enhanced grip and durability, the SHOWA 600 general purpose glove is impermeable and robust. A soft cotton liner, flexible construction, and moisture-wicking liner all contribute to the 600's ultra-comfortable characteristics. The rough-finish PVC coating protects the wearer from chemicals, grease, and abrasion.

BENEFITS

- Cotton
- Seamless knit

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
