

SHOWA 724R

Revered for its comfort-conscious construction and tactical grip performance, SHOWA 724R general purpose glove is ergonomically designed to be the perfect fit. The premium-grade PVC-coated gauntlet is reinforced with nitrile and a rough surface grip to provide maximum protection when handling acids, oil, chemicals, and abrasive materials. A soft cotton jersey liner wicks away moisture to maintain comfort within the glove.

BENEFITS

- Chemical-resistant
- Abrasion-resistant
- Robust grip
- Soft liner
- Flexible

FEATURES

- Cotton Jersey Liner
- Full PVC Coating
