

SHOWA CHMY

This chemical-resistant glove is flexible, offers high sensitivity, and is resistant to a broad range of chemicals. Its neoprene-over-natural rubber construction with tractor tread grip provides maximum precision, tactility, and defense. The cotton flocked liner helps to maintain a comfortable temperature within the glove to keep hands cool and dry.

BENEFITS

- Flexible
- Increased sensitivity
- Chemical-resistant
- Neoprene over natural rubber

FEATURES

- Cotton liner
- Flocked
- Embossed grip
