

SHOWA B0403

The SHOWA B0403 is a highly stretchable, precision-focused glove featuring a lightweight Nylon, Polyester, and Polyurethane liner paired with a protective Polyurethane coating. Designed specifically for mechanical risks, it offers a "second-skin" fit that conforms to EN 420+A1 standards for exceptional dexterity. The glove is easy to maintain, retaining its full performance levels even after three wash cycles at 40°C
