

SHOWA MFT PRO GP264E

The **SHOWA RECYCLED MFT PRO GP264E** is a sustainable, general-purpose work glove featuring a 13-gauge seamless knit liner made from a blend of Microfiber and nylon yarn. With **80% RECYCLED MATERIAL** in the liner, each pair contributes to a **50.0G CO₂ SAVING**. Equipped with MicroFiber Technology (MFT PRO) and a foam polyurethane palm coating, this ultra-lightweight glove provides a unique inner grip and enhanced gripping power. Designed for maximum breathability and moisture-wicking comfort, it is an ideal choice for high-precision tasks such as manufacturing, light assembly, packaging, and component assembly.

BENEFITS

- Unique inner grip
- Enhanced gripping power
- Ultra-lightweight
- Liner with MFT PRO for maximum breathability
- Moisture-wicking
