

## SHOWA 341 PURPLE

The natural rubber coating on the palm is water-resistant to ensure these hard-wearing gloves are highly tactile, even in wet environments. Rough surface grip enables optimum dexterity when working with small components or heavy components. An elasticated wrist cuff prevents dirt and debris from entering the glove, and a seamless knit offers ultimate comfort during long periods of wear.

### BENEFITS

- Extra Grip
- Seamless knit
- Increased dexterity
- Breathable
- Flexible
- Form-fitting
- Skin-friendly

### FEATURES

- Rough grip
- Ergonomic
- Elasticated wrist cuff
- Latex palm Dipped Coating

### NORMS & CERTIFICATES

## USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

## DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
