

## SHOWA 370W

The light color is perfect for use in clean environments, whilst the durable nitrile coating provides excellent dry grip and tactile precision. An open-back fabric design allows for air and moisture to escape to prevent perspiration inside the glove. The 370W is lightweight and flexible to increase comfort and reduce hand fatigue.

### BENEFITS

- Machine washable
- Seamless knit
- Form-fitting
- Flexible
- Extra Grip
- Breathable

### FEATURES

- Soft liner
- Nitrile palm coating
- Elasticated wrist cuff
- Lightweight
