

SHOWA DS45

The DS45 cut protection sleeve is reinforced with HPPE to provide extended protection for the entire arm. An elasticated wrist cuff keeps the sleeve in place and prevents dirt and debris from entering and causing discomfort. A seamless liner reduces irritation during long periods of wear.

BENEFITS

- Full-arm protection
- Seamless knit
- Cut-resistant

FEATURES

- Uncoated
- Elasticated wrist cuff
- HPPE reinforced
- One-size-fits-all

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
