

## SHOWA 7580

This thicker, 0.20 mm and 240 mm long 100% nitrile disposable glove offers durable, high-performance protection against chemical penetration and splashing. For added comfort, the glove is twice chlorinated to reduce tackiness and create a soft, second-skin feel. Its latex, silicone and powder-free composition reduce risk of allergies and irritation. A textured finish on the fingertips enhances grip when handling small components.

### BENEFITS

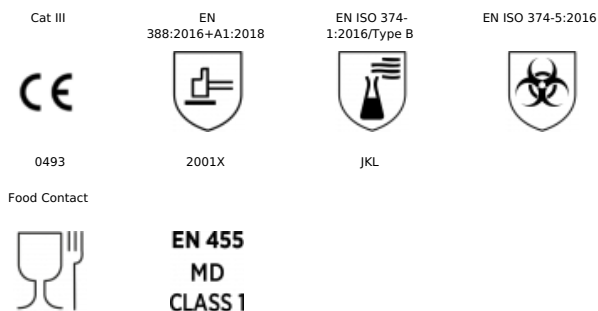

- Disposable
- Latex-free
- Chemical-resistant
- Water-resistant
- Increased sensitivity
- Durable

### FEATURES

- 100% Nitrile
- Silicone-free
- Chlorinated
- Powder-free
