

SHOWA 7116

The 7116 cold protection glove is designed to protect hands from abrasive materials in cold environments. Featuring a nitrile coating and triple-layered insulation, the 7116 keeps hands warm and dry. These highly durable gloves are flexible, resistant to tearing, and provide optimal grip for worker precision.

BENEFITS

- Durable
- Cold protection
- Water-resistant
- Flexible
- Abrasion-resistant

FEATURES

- Cotton liner
- Fully Coated Nitrile
- Insulated
- Rough grip
