SHOWA 937C

The SHOWA 937C cut-resistant glove features thousands of high loops of Kevlar-cotton for added air cushion and insulation. PVC dotting on both sides of the glove offers unmatchable grip and tactile precision. The elasticated wrist cuff prevents debris from entering the glove, and the seamless liner reduces irritation.

BENEFITS

- Thermal insulation
- Machine washable
- Cut-resistant
- Seamless knit

INDUSTRIES

- Automotive
- Manufacturing
- Mechanical
- Metallurgy
- Oil And Gas
- Railways

FEATURES

- PVC dots
