

SHOWA 7000PR

An exclusive nitrile palm-dip makes the SHOWA 7000PR an ideal general-purpose glove for protection against abrasion, tears, and punctures. Rough surface grip ensures optimum tactility for a range of applications. A breathable open-palm design and cotton liner prioritizes comfort during long periods of wear. An elasticated wrist cuff absorbs perspiration and prevents liquid and debris from entering the glove.

BENEFITS

- Cut-resistant
- Abrasion-resistant
- Oil-resistant
- Water-resistant
- Robust grip
- Reusable

FEATURES

- Nitrile palm coating
- Elasticated wrist cuff
- Cotton liner
- Rough grip
