

## **SHOWA TEMRES® 281**

These water-resistant gloves, with TEMRES® technology, keep water out of the glove whilst allowing warmth and moisture to escape. This breathability combined with the flexibility and tactility provided by the thin coating and seamless liner ensures comfort even during long periods of wear. A micro-roughened nitrile finish on the fingertips of the gloves adds extra grip for general use or when working with liquids.

#### **BENEFITS**

- Breathable
- Water-resistant
- Extra Grip
- Flexible
- Seamless knit
- Form-fitting
- Skin-friendly
- · Increased dexterity

#### **INDUSTRIES**

Automotive

Construction

Janitorial

Mining

Utilities

#### **FEATURES**

- Ergonomic
- Rough grip
- Polyurethane coating

## HAZARDS

General Purpose

Liquids

### **NORMS & CERTIFICATES**

Cat II

EN 388:2016

#### **TRADES & APPLICATIONS**

- Handling plants and vegetables
- Automotive repairs and maintenance
- Maintenance
- · Intricate parts handling
- Tile setting
