

SHOWA 9905PF

Engineered with an extended-length gauntlet and a thicker mil, this SHOWA 9906PF single-use glove provides added barrier protection. The 100% nitrile construction brings you the pinnacle of tactile precision, maximum comfort, and high-capacity protection in a wide range of applications. And featuring SHOWA's revolutionary Eco Best Technology® (EBT), these gloves are engineered for accelerated biodegradation in biologically active landfills.

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
