

SHOWA S-TEX 300

ANSI CUT LEVEL A4 The S-TEX 300 cut protection glove is constructed with a stainless steel liner, Kevlar® fibers, and our patented Hagane Coil® technology. Featuring a formfitting, breathable design the S-TEX 300 offers comfort alongside performance. A natural rubber palm dip ensures superior wet and dry drip. Its fluorescent green color offers increased visibility and identification.

BENEFITS

- Flexible
- Form-fitting
- Cut-resistant
- Increased dexterity
- Breathable
- Increased visibility

FEATURES

- Ergonomic
- Liner made with Kevlar®
- Palm-dipped natural rubber coating
- Hagane Coil® technology
- Rough grip
- Fluorescent

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
