

SHOWA 370W

The light color is perfect for use in clean environments, whilst the durable nitrile coating provides excellent dry grip and tactile precision. An open-back fabric design allows for air and moisture to escape to prevent perspiration inside the glove. The 370W is lightweight and flexible to increase comfort and reduce hand fatigue.

BENEFITS

- Machine washable
- Seamless knit
- Form-fitting
- Flexible
- Extra Grip
- Breathable

FEATURES

- Soft liner
- Nitrile palm coating
- Elasticated wrist cuff
- Lightweight
- Smooth grip

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
