

SHOWA TEMRES® 281

These water-resistant gloves, with TEMRES® technology, keep water out of the glove whilst allowing warmth and moisture to escape. This breathability combined with the flexibility and tactility provided by the thin coating and seamless liner ensures comfort even during long periods of wear. A micro-roughened nitrile finish on the fingertips of the gloves adds extra grip for general use or when working with liquids.

BENEFITS

- Breathable
- Water-resistant
- Extra Grip
- Flexible
- Seamless knit
- Form-fitting
- Skin-friendly
- Increased dexterity

FEATURES

- Ergonomic
- Rough grip
- Polyurethane coating

- TEMRES®

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
