

SHOWA S-TEX ALPHA XC820

The **S-TEX ALPHA XC820** glove offers the ultimate combination of high-level cut protection and dexterity. It features an 18-gauge seamless knit liner crafted with incredibly strong tungsten cut resistant yarn, which achieves an F cut resistance rating while maintaining exceptional flexibility. For superior handling in slick conditions, the glove is equipped with an embossed microporous nitrile palm that actively disperses oils and liquids, providing reliable grip in greasy and wet environments.

BENEFITS

- Cut-resistant
- Flexible
- Breathable
- Seamless knit
- Form-fitting
- Touch screen compatible

FEATURES

- Silicone & Latex-free, increased dexterity
