

SHOWA 7005

Providing unmatched dexterity, the SHOWA 7005 disposable glove is the industry's first to be made of 100% nitrile. Lightly powdered and with a rolled cuff, sweat is wicked away and debris is prevented from entering. A smooth grip provides unmatched tactility and performance across a range of applications.

BENEFITS

- Disposable
- Latex-free
- Increased dexterity

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
