

SHOWA 8005

The SHOWA 8005 disposable glove is ideal for jobs requiring increased protection without compromising on tactility. A lightly powdered, lightweight design prioritizes worker comfort, while the rolled cuff prevents dirt from entering the glove. The 8005 is ambidextrous and uses second-skin feel to significantly reduce hand fatigue over long periods of wear.

BENEFITS

- Easy donning and doffing
- Latex-free
- Increased dexterity
- Single-use

FEATURES

- Rolled Cuff
- 100% Nitrile
- Ambidextrous
- Lightly powdered
- Unsupported
- Lightweight

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER
