

## SHOWA B6005PF

The B6005PF is a powder-free, single-use glove with unmatched dexterity and smooth grip. Designed for use across a range of tactical applications, it uses clean-processing and revolutionary SHOWA technology to ensure optimum performance. The 100% nitrile material is ideal for reducing risk of allergic reactions.

## USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

## DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
