

SHOWA S-TEX 376SC

ANSI CUT LEVEL A4 Durability meets comfort with the S-TEX 376SC cut-resistant gloves. Engineered with steel-reinforced Hagane Coil® technology and a gauntlet style reinforced safety cuff, the S-TEX 376SC offers high-performance cut protection to the hand, wrist, and forearm. A foam nitrile palm coating provides high abrasion resistance as well as optimum wet and dry grip. The ergonomically designed hand mold reduces hand fatique and wearer discomfort.

BENEFITS

- Hydrocarbon-resistant
- Flexible
- · Form-fitting
- Cut-resistant
- · Increased dexterity
- Breathable
- Seamless knit
- Oil-resistant
- Forearm protection

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.
