

MADE IN AMERICA

Why it pays to buy local

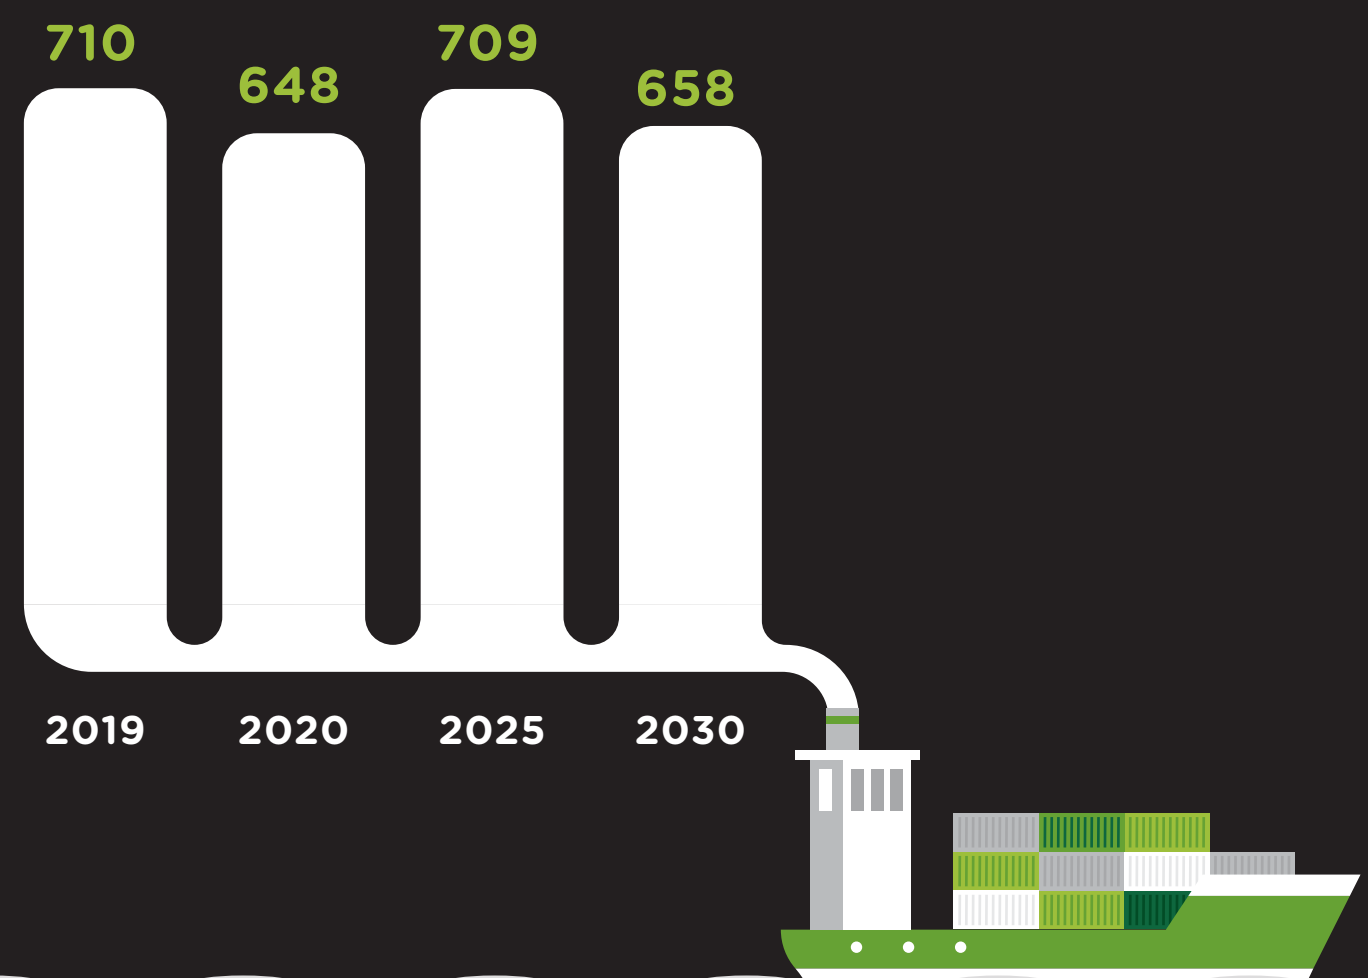

95%

of protective gloves are currently manufactured in Asia, compared to just **1% in the USA.**

The environmental impact of shipping these gloves to the USA is huge:

INTERNATIONAL SHIPPING CO2 EMISSIONS OUTLOOK WORLDWIDE 2019-2030, MILLION METRIC TONS

Commercial aviation between Asia and the USA amounted to

44 MILLION METRIC TONS

of CO₂ emissions in 2019.

Made in America SHOWA gloves will not only create **100 NEW JOBS** and expand SHOWA's Fayette annual production to

1.2 BILLION GLOVES,

they will also reduce shipping costs, time, and CO₂ emissions.
